ANOTHER YEAR FOR HIGHER SCHOOL PLAN

The high school plan put into operation last September has been a success in every way. Parents are quite satisfied with the scheme, and recorded a vote favoring continuance of the plan for another year. "Perhaps it is unfortunate that the Bassano high school cannot be entirely financed by the levying of taxes as in the public school, but taxpayers are already bearing a heavy burden. To finance the high school entirely by taxes would necessitate an increase in the mill rate, and under present conditions this is almost unthinkable. But education must not be neglected. Parents of high school pupils in Bassano and district realize this, and even though the cost may seem high, they have accepted their responsibility to educate, and complete high school curriculum within reach of their children."

ONK OF THOSE WET YEARS

If the summer weather continues as wet as it has been to date, 1932 will go down in history as another of those wet years.

Weather conditions are certainly ideal for the growing crops. The moisture supply has been abundant so far, and we hear old timers say "it is just like the weather we had back in 1915."

After three comparatively dry years an occasional rainfall may appear to us like a downpour, but the rain gauge tells a story that cannot be refuted. Since seeding operations commenced more than four inches of water has fallen. This is a heavy precipitation indeed.

The highly touted fertility of southern Alberta's soil has an opportunity to demonstrate what it can grow this summer, and the phenomenal growth of grain crops, hay, and prairie pastures is certainly doing just that.

The only thing farmers have to worry about just now is cutworms, grasshoppers, and hail, but these are as nothing compared to the nerve-racking strain of prolonged drought and hot, searing winds. It's going to be a great year for this part of Alberta.

RELIANCE

(by Henry Van Dyke)

Not to the swift, the race;
Not to the strong, the fight;
Not to the righteous, the perfect grace;
Not to the wise, the light.

But often faltering feet
Come surest to the goal;
And they that walk in darkness meet

The sunrise of the soul.
A thousand times by night
The Syrian hosts have died;
A thousand times the vanquished right

Has risen glorified.
The truth the wise men sought
Was spoken by a child;
The alabaster box was brought
In trembling hands defiled.

Not from my torch the gleam,
Not from the stars above,
Not from my heart life's crystal stream,
But from the depths of love.

Beware of Glass Jars, Too
A dignified Cornell professor
broadcasts a warning against eating
the cellulose wrappers that come
around the smokes. And what we
can't see is why he don't also tell
us never to eat the can the beans
come in too.

The best meat was awful at Cornell.

The Last of the Ninth
A well known baseball reporter,
who frequently described a game in
verse, died of cancer some years
ago. In a drawer in his bedroom
were found the following verses:
The doctor knows what his trained
eyes see,
And he says it's the last of the ninth
for me;
One more swing while the clouds
loom dark,
And then I'll leave this noisy park.
'Twas a glorious game from the
clang of the ball;
Good plays, bad plays, and plays
well well,
The speed of it burned my years
away,
But I thank the good God He let
me play.

The introduction of the brown
trout to British Columbia waters

of the fish culture branch of the
Dominion department of fisheries.

The Week's News

TURNER VALLEY OIL WELL RESTRICTION POSTPONED

What amounts to a suspension of its order to oil companies to restrict flow and production was announced last Friday by the Turner Valley Gas Conservation Board.

The action was taken in view of the injunctions granted by the Spooner and Hildfield Oil companies Thursday last by Mr. Justice Swaine restraining the board from enforcing conservation against the Turner Valley until the validity of the Turner Valley Gas Conservation Act is tested in the supreme court during the week of June 6.

STRIKE OF COLEMAN COAL MINERS COMES TO AN END

COLEMAN, May 26.—Between 600 and 800 men are scheduled to return to work at the International and McDowell mines today, the men having signed up following negotiations with officials of the local miners' organization and operators Wednesday morning. The collapse of the strike was evident Wednesday morning. While miners were registering for work at the mine offices, a ballot being taken under auspices of the Mine Workers' Union on discrimination on non-employment was called off, and officials of this organization admitted they plan failed here.

DE VALERA SAYS ABOLISHING OATH DOES NOT MEAN A BREAKING AWAY FROM THE BRITISH EMPIRE

DUBLIN, May 26.—President Eamon de Valera today told the Irish Free State Senate the object of his government's bill abolishing the oath of allegiance to the British Crown was not severance of this country from the British commonwealth of nations.

Mr. de Valera, pleading that the Senate give the bill consideration on its merits, declared its purpose was to prevent the Anglo-Irish Treaty of 1921 from being a fundamental domestic law and to put it in its proper place as an international instrument.

GOVERNMENT SEEMS TO CONSERVE RADIUM SUPPLY

TORONTO, May 27.—The Dominion government will make every effort to conserve the recent radium discoveries in the Great Bear Lake district for the benefit of cancer victims, Hon. R. J. Manion, minister of railways and canals, told the joint annual convention of the Canadian Public Health Association and the Ontario Health Officers' Association here Thursday night.

"Chance is unfortunately growing in its morbidity among the people of all civilized countries," said Mr. Manion. "It is essential that it has early diagnosis and the establishment of clinics for this purpose by the Ontario government is doing much to bring this about."

FEARS ANOTHER CRASH OF WORLD FINANCE

LONDON, May 27.—"We are likely to have a complete economic collapse in Europe within the next few months, and be shortly faced with a graver situation than that of the United States at the present time," said L. S. Amery, member of the House of Commons, and former secretary of state for dominions. "The only step which would meet the economic emergency with sufficient promptitude would be establishment of a British sterling system. That question, Mr. Amery thought, would certainly be discussed at the Ottawa conference."

BACK TO THE LAND PLAN FOR IDLE IS PROPOSED

The province of Alberta has in view the city of Calgary to participate in a "back to the land" scheme for unemployed persons who are now in receipt of direct relief, on the basis of assuming one-third of the cost with the federal and provincial governments, assuming the remaining two-thirds.

The text of the agreement indicates that the Dominion government is prepared to contribute one-third of an amount not to exceed \$500 per family for the purpose of providing a measure of self-maintaining relief to families who would otherwise be in receipt of direct relief by placing such families on the land. The province and the municipal parties concerned would be required to pay the remaining two-thirds. The Dominion contribution would be a non-recoverable expenditure.

KAYE DON WILL SHIP BOAT HOME FOR ALTERATIONS

GARDNER, May 26.—After a telephone conversation with Lord Wakefield, owner of the speedboat the England 115, Kaye decided to ship the boat back to England to have her hull altered in an effort to increase her speed.

In a trial test the best the boat could do fell 20 miles an hour short of the world record.

BEST CROP PROSPECTS FOR YEARS IN THE WEST

EDMONTON, May 26.—With practically all wheat seeding completed and excellent moisture conditions prevailing in almost every district of the province, Alberta is showing more encouraging crop prospects than has been the case for some years, says the fortnightly report of the department of agriculture.

BRITAIN PUTS MORE BACON FROM CANADA THAN U. S.

OTTAWA, May 27.—Great Britain is at present buying more bacon from Canada than from the United States. A report issued by the Dominion Bureau of Statistics tonight shows that imports of bacon into Great Britain from Canada, not including hams, in the first four months of this year totalled \$3,757,500 pounds. In 1930 the imports were \$7,133,000 pounds but they dropped to \$4,650,000 pounds in the same period in 1931.

In the first four months of 1930 British imports from the United States amounted to \$2,411,000. This dropped in the same period of 1931 to \$2,925,000 pounds and in 1932 to 2,563,700.

MORE DOCKROCKERS ARE PLACED UNDER ARREST

NELSON, B. C. May 29.—Three special railway coaches occupied by 197 dockhopper men and women convicted and sentenced to three-year terms in the penitentiary taking part in the nude demonstrations at Thrums during the month, left here by Saturday night's train for Vancouver.

The jail population, however, was not depleted for long, for this afternoon four truckloads of members of the Sons of Freedom were brought to the jail from Thrums. There were 217 in the party. This new batch of law breakers participated in another nude demonstration today. There were 40 men, 21 women and 40 children.

Whether today's arrests will end the demonstrations is not known. Including those taken into custody today, 662 dockhoppers have been brought to the jail here since the nude demonstration, started May 1.

WILL PROTECT your clothes

LARVEX is a non-inflammatory, odorless, non-injurious liquid for protecting clothes from the ravages of moths.

Sprayed on the garments LARVEX renders the cloth proof against the deadly moth larvae. The little insects cannot eat cloth on which LARVEX has been sprayed, and they just starve to death.

This specially prepared solution causes no injury to the cloth.

LARVEX makes the following articles moth proof:
Clothing, Carpets and Rugs,
Unupholstered Furniture,
Draperies, Blankets,
Woolen Wear, Sweaters,
Babies' Woolens,
and other woolen articles.

U. P. A. STANDS AGAINST EMPIRE WHEAT QUOTA

CALGARY, May 30.—Taking a stand against the establishment of a wheat quota within the empire and suggesting that the gold standard might be abandoned throughout the empire, or vice versa in the alternative that parity between the Canadian dollar and the English pound sterling be established, the United Farmers of Alberta, Sunday released a memorandum of its executive committee containing these representations.

The U. P. A. points out that western Canada depends for its livelihood upon agriculture, and that the fact that free access to world markets is essential must be remembered when the economic discussions at the empire conference take place.

Floating out that only one-third of Canada's exportable wheat surplus is purchased within the empire, the U. P. A. states that "nothing should be done which would place in jeopardy our access to non-empire markets," and stating its opposition to a quota system, states that if a preferential tariff system is adopted, care should be taken to prevent "the emergence of any spirit of antagonism which might prejudice the interests of the Canadian wheat producer in foreign markets."

Hungarian partridge may be plentiful in a few years in the eastern townships, Quebec, as a result of the "planning" released of 54 of these same birds in that area.

PLACED UNDER ARREST

THE JAIL POPULATION, HOWEVER, WAS NOT DEPLETED FOR LONG, FOR THIS AFTERNOON FOUR TRUCKLOADS OF MEMBERS OF THE SONS OF FREEDOM WERE BROUGHT TO THE JAIL FROM THRUMS. THERE WERE 217 IN THE PARTY. THIS NEW BATCH OF LAW BREAKERS PARTICIPATED IN ANOTHER NUDE DEMONSTRATION TODAY. THERE WERE 40 MEN, 21 WOMEN AND 40 CHILDREN.

Whether today's arrests will end the demonstrations is not known. Including those taken into custody today, 662 dockhoppers have been brought to the jail here since the nude demonstration, started May 1.

The Greatest Legacy

of the Canadian people
to the next generation

...is life insurance

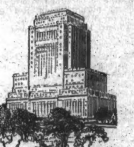

When the Sun Life began business in 1871 life insurance in Canada was \$13 per capita.

TODAY it is \$635 per capita. With one exception, Canadians are now the highest insured people in the world.

The Sun Life has played a leading part in fostering this thrift in the Canadian people and in protecting Canadian homes.

The rapid growth of the Sun Life is shown in the following table:

ASSURANCE IN FORCE	
1871	\$404,000
1881	\$81
1891	\$5,010,000
1901	\$19,436,000
1911	\$68,400,000
1921	\$164,572,000
1931	\$536,718,000
1932	\$2,051,077,000

1st prize — \$1,000.00 cash
2nd prize — \$500.00 cash
3rd prize — \$200.00 cash
4th prize — \$100.00 cash
5 prizes, each \$50.00 cash
95 prizes, each \$10.00 cash
104 prizes totalling \$3,000.00

GOOD YEAR PRIZE CONTEST

Here's a profitable way to spend half an hour . . . Glance at that prize list and you'll say "profitable is right."

Anyone except tire dealers, employees of the companies and the families of both can, without a cent of expense, try for one of the prizes.

All you have to do is to examine the six tires of various sizes, types and ply-thicknesses on display here. Figure out how many cords you think would be in each; then add the six figures and divide by six to find the average. Use the section of tire cord fabric also on display to help you.

Submit your estimate on a standard entry blank. There is nothing to buy, no other special requirement, no cost to you.

Closing date: June 5th, 1932. Address: "The Goodyear Supertwist Cord Contest," New Toronto, Toronto 14, Ontario.

BASSANO SERVICE STATION
A. P. PIERSON, proprietor
Bassano, Alta.

Come in and see Supertwist Cords demonstrated and get a helpful booklet of contest directions.

OAT CHOP FOR SALE - Phone No. 2, Chazy 47-49

NOTICE OF SALES
NOTICE IS HEREBY GIVEN under section 48 of The Dominion Land Act (Municipalities) that one dark brown mule, aged, on right hind, was impounded in the pound kept by the Town of Bassano, on the 8th day of May, 1932, and that the said animal was sold on the 8th day of May, 1932, to L. C. Casway, of Bassano, Alberta, and that the said animal may be redeemed by the owner or on his behalf within a period of thirty days from the publication of this notice in the Alberta Gazette upon payment of all fees and costs due to the municipality and the purchaser of the said animal.

For information apply to the undersigned.
Jas. R. Donaldson,
Sec. Treas. Town of Bassano, Alberta

OTTAWA ASSOCIATED WITH PLANS FOR CONFERENCE

OTTAWA, May 25.—The peace which customarily descends upon Parliament Hill with the closing of the session was conspicuous on Friday by its absence. In the antechamber offices and lobbies corridors, there was the bustle everywhere of feverish preparation for another and wider assembly, the forthcoming imperial conference.

Meantime, while preparations for the conference are in progress, it is a atmosphere of reasonable rather than extravagant hope, conditions in the Dominion disclose some indications of having taken a turn for the better.

When we do a car repair job for you you get the benefit of many years experience at this work. Repairs and adjustments made on cars of all makes. Electrical work is one of our special lines.

INTERNATIONAL HARVESTER CO. WILL TAKE WHEAT ON

Seventy-seven cents a bushel for No. 1 Northern wheat, Winnipeg, is the crop price generally offered by the International Harvester Company of Canada Limited, to its Canadian customers.

Charles R. Morrison, of Chicago, director of Canadian sales, in a statement issued at Winnipeg, said: "Our company is convinced that the reluctance of the farmers to buy implements required for the more economical production and harvesting of their crops is due to the present unsatisfactory wheat prices, and we believe that if they are presented with higher prices for their wheat they will not hesitate to purchase the modern most-reducing machines which they ever used more than ever."

"The purpose of this offer is not merely to stimulate sales of Harvester products, but also to give substantial evidence of our faith that wheat prices must and will improve soon. On notes given last marketing in 1932, representing not more than 40 per cent of the price paid, there will be endorsed the equivalent number of bushels of wheat, computed on the basis of 77 cents a bushel, Winnipeg, for No. 1 Northern. If the average Winnipeg market quotation for the five-day period prior to and including the maturity date of the wheat is less than 77 cents, the purchaser will be credited in full the difference with an amount representing the price differential multiplied by the number of bushels endorsed on the note."

Polo was known in Persia in very ancient days. In fact there is a story to the effect that when Alexander the Great was still a young boy he should have played with a ball and polo stick as a hint that he should learn Persian with more than the game. Alexander replied that the polo ball, in his case, represented the earth, and the stick himself. The latter events justified this.

LOCAL NOTES

M. E. Granland, former Bassano resident, is now located at Nanton, Alberta. Mr. Granland is the employ of the Crown Lumber Co. two years ago to take over a hardware and machinery business in Tomkins, Saskatchewan.

Guy Foster was a visitor to Calgary last Sunday and Monday.

Mr. and Mrs. Chas. Wilson and daughter, and Miss Sally Ross, were visiting in Inchoo last Sunday.

Rev. and Mrs. P. C. McKee and children motored to Chazal last Monday to visit with relatives.

Dr. J. V. Pollett, of Calgary, grand principal, accompanied by a number of grand chapter officers, made an official visit to Bassano last Monday. R. A. M. last Wednesday, May 25.

Mr. and Mrs. Dan Morrison, of Shepard, were visiting relatives in Bassano last Saturday.

Major Cross of the C.P.R. D.N.R. staff at Brooks, was a business visitor in town last Thursday.

Mrs. Moorhead and Miss Phyllis Moorhead were in Calgary last week end.

Mrs. W. H. Hunter and daughter Lois, of Medicine Hat, are visiting in Bassano this week.

Mr. and Mrs. York, of Empress, are visiting in Bassano with their daughter, Mrs. W. S. Weir.

The Howe family, of Calgary, have moved into the house just west of Dr. Kott's residence. Mrs. Howe is agent for Rawleigh products.

Mrs. L. R. Newby made a visit to Calgary last Saturday.

Arthur Thompson is home from Calgary where he has been attending the technical school. He expects to work on the C.P.R. and it is going for the summer months.

Mrs. Harry Munter is a patient in the hospital here.

Mrs. J. Stancione motored to Medicine Hat last Sunday to play golf. She was accompanied by Miss Norma Mitroff who visited friends there.

Little Robert Lindsay returned to his home in Medicine Hat last week end after spending a week here with his grandparents, Mr. and Mrs. B. Leonard.

Richard Rathbone, who has been taking a course in the technical school, Calgary, has returned to his home in Bassano.

Sam Leonard is a patient in the Bassano Hospital.

Mr. and Mrs. Jas. Stinson have adopted a baby girl, Jacqueline, 16 months old.

Wm. Noble and son Gerald left Tuesday for Storthaka, Saskatchewan, to visit with Mr. Noble's parents.

Archie Stinson is working with Lloyd Ross on telephone work. G. Galassano is in the local hospital under treatment.

BIRTHS

At the Bassano Hospital:
A son, to Mr. and Mrs. Walter Pollett, of Edmonton, on May 25.
A son, to Mr. and Mrs. Peter Epp, of Husar, on Friday, May 27.

DUCHESS NEWS

DUCHESS, May 31.—The local ball team defeated Rosemary 6-5 in a game played here last Sunday. Rosemary had the advantage in the first inning, but in the third Duchess hammered the Fairfield's everywhere, bringing in five runs. Burrows then pitched the remainder of the game for the visitors. At the end of the eighth the score was tied 5-5. In their final effort to win the last inning Rosemary failed to score, while C. Connelly pitched a ball that brought in Bill Fraser to win the game for Duchess. It was the best game of the season. Chas. Connelly pitched a nice game for Duchess and was well supported in the field. Bill Fraser brought over several good catches. The fans of both teams, particularly those of the fair sex, were in good voice. "Shirley" Simons and Mr. Howe were the umpires.

Mrs. M. I. Davis, of Vancouver, and son Norman, of Blindfold, were calling on old friends Saturday. Mrs. Davis was on her way to Oakland. Mrs. Purcell and daughter Jean are spending a few days in town looking after business interests and calling on old friends. Mrs. Anderson is building a six room addition to the hotel.

Claid Staines is shipping goods to Calgary this week.

W. A. Kinn, of Medicine Hat, motored up to visit the Ross and Kellars for a few days. Mrs. I. Hoffschover and Bert Ross of Crowfoot, and Miss Sally Ross, of Bassano, came over Saturday evening and staying at the hotel. Mr. and Mrs. Chas. Wilson, Jan and John, of Inchoo, also motored up on Sunday and with Mr. and Mrs. K. Ross and Miss Ross, and Miss Charlotte Spicer, went to Brooks this camp for a picnic, returning in the evening to the Spicer home.
